About College Board College Board is a mission-driven not-for-profit organization that connects students to college success and opportunity. Founded in 1900, College Board was cre

www.chagrinschools.org

AB Calculus is definitely challenging, but it doesn't move as fast, so it's less likely you'll fall behind. Taking AB Calculus might free up your schedule for an additional class. Since some schools teach BC over two class periods, you might not be able to fit in a different AP class or extracurricular.

Should I Take AP Calculus AB or AP Calculus BC?

AP Calculus AB & BC Crash Course is just that, an accelerated crash course in Calculus. The review book consists of extensive practice tests with full answer keys, as well as tips and tricks.
