How to deal with a bully coach - Active For Life

If coaches or parents witness or become aware of teasing, exclusion, threats or other forms of bullying, they need to take action. Parents should talk directly to the coach and not try to talk to the bully's parents. Parents shouldn't accuse coaches for being responsible for the kids' behavior, but should solicit their help. 1; 2; 1; of; 2; NEXT

the part of a coach should be brought to the attention of the school principal or youth league director. You might decide to handle it through the principal, even if you don't directly address the coach. This action should be taken even if the student doesn't want you to become involved with the school.

What Do You Do When It's The Coach Bullying The Student?

If the bully is a peer manager or a subordinate, you can take them aside and try to talk some sense into them, says Namie, who believes that kind of informal coaching is more effective than a formal complaint. Still, it can be hard to convince a bully to stop if the company has no policy against such behavior. [How to Avoid a Bully in Future Jobs](#)
