chapter 2 exercises - University of California, Los Angeles

Chapter 2: Exercise J. Read the following passages in phonetic transcription. The first, which represents a form of British English of the kind spoken by Peter Ladefoged, is a broad transcription. The second, which represents an American pronunciation typical of a Midwestern or far Western speaker, is slightly narrower, showing a few allophones. By this time you should be able to read transcriptions of different forms of English, although you may have difficulty in pronouncing each word ...

Chapter 2: Exercise J

Chapter 2: Exercises There seems to be some consensus for doing Chapter 2 next, so I figured I'd get things rolling. We can work on the exercises together in this thread. Even if a solution for an exercise is already posted, you should try to work through the exercise on your own, because learning occurs in the struggle to solve questions.
