However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Hughes Kettner Statesman EL34

British tonal heritage is fused deep within this Statesman's circuited soul, courtesy of its EL34 power valves. They are integral to the UK rock sound as we know it, defined most notably by Marshall of course. In keeping with the rest of the Statesman range, however, H&K eschews classic black and gold livery in favour of a more USA-inspired oxblood Tolex, coupled with biscuit-cream grille ...

The Statesman offers connections for two double foot switches (e.g. Hughes & Kettner FS-2). The first connection switches the channels, and turns the BOOST in the DRIVE channel on/off. The second connection turns the internal spring reverb or the FX-loop on/off. Single foot switches can also be connected; then the functions will be
