It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Sex, Sin, and Blasphemy: A Guide to America’s Censorship Wars is a non-fiction book by lawyer and civil libertarian Marjorie Heins that is about freedom of speech and the censorship of works of art in the early 1990s by the U.S. government. The book was published in 1993 by The New Press. Heins provides an overview of the history of censorship, including the 1873 Comstock laws, and then moves on to more topical case studies of attempts at suppression of free expression. The book argues that arti
