Part travel memoir, part humor, and part twisted self-help guide, The Geography of Bliss takes the reader across the globe to investigate not what happiness is, but WHERE it is. Are people in Switzerland happier because it is the most democratic country in the world? Do citizens of Qatar, awash in petrodollars, find joy in all that cash?

The Geography of Bliss is a tough book to nail down. It defies categorization. I like to think of it as a philosophical humorous travel memoir. It is all of those things, and more. For years, as a foreign correspondent for National Public Radio, I covered a multitude of catastrophes, natural and man-made.

# Online Library The Geography Of Bliss One Grump's Search For Happiest Places In World Entertainment

The Geography of Bliss This is a highly entertaining book - the author presents humorous snapshots of a variety of people in locations all over the world and does this in a witty and clever way. It's David Sedaris without the crude edge - and very much along the lines of Bill Bryson - the author has a good eye and a gift for sharing his observations in a way that is never dull.
