### **The Growth Delusion The Wealth**

Authoritative, provocative, and eye-opening, The Growth Delusion offers witty and unexpected insights into how our society can respond to the needs of real people instead of pursuing growth at any cost.

### **Amazon.com: The Growth Delusion: Wealth, Poverty, and the ...**

The Growth Delusion was my first proper introduction to various models of economic measurement. Today GDP is taken as standard unit of growth. David Pilling has attempted to show us how our existing model of measuring growth and economic development (GDP) is flawed.

### **The Growth Delusion Wealth, Poverty, and the Well-Being of ...**

The Growth Delusion explores how we prioritise growth maximisation without stopping to think about the costs. So much of what is important to our well-being, from safe streets to sound minds, lies outside the purview of statistics.

### **The Growth Delusion: The Wealth and Well-Being of Nations ...**

Authoritative, provocative, and eye-opening, The Growth Delusion offers witty and unexpected insights into how our society can respond to the needs of real people instead of pursuing growth at any cost.

### **The Growth Delusion by David Pilling: 9780525572510 ...**

GDP provides figures for production/ consumption in society, but will say nothing about how wealth created is being distributed, therefore, although, GDP may rise, so may inequality in society, as wealth created gets concentrated with few individuals. Also, as per the author, not all economic growth is good.

### **Buy The Growth Delusion: The Wealth and Well-Being of ...**

As The Growth Delusion explains, GDP is the locus classicus of this principle. The concept was developed by the Russian-American economist Simon Kuznets in order to justify the unprecedented fiscal...

It's not often, as in "never," that I've been able to recommend a book about economic measurement that's both important and downright entertaining. Yet, in "The Growth Delusion: Wealth, Poverty,..."

### **The growth delusion: An interview with David Pilling - The ...**

Engaging and enlightening, The Growth Delusion explains not only why the emperor has no clothes, but why he wasn't really the emperor in the first place (David Mitchell, author of 'Cloud Atlas') If you thought that GDP did not necessarily translate into increased welfare, David Pilling shows you convincingly why you were right.

### **The Growth Delusion: The Wealth and Well-Being of Nations ...**

THE GROWTH DELUSION is the outgrowth of his realization that what's important to our well-being today—from clean air and safe streets to steady jobs and sound minds—lies far outside the GDP's field of vision, which is where most of the experts have failed us.
