Body, and Home. With the resurgence of small-batch, locally crafted boutiques and brands that mimic heritage brand ideals, today's consumers are looking for a product with an emphasis on locally sourced production and ingredients. They are already stocking their pantries and fridges with natural, whole foods and relying on real ingredients for better health.

Cold Spring Apothecary products are crafted in small batches in our manufacturing lab.

With a strong commitment to luxury, only the highest quality ingredients go into products. That means no drying sulfates, harsh parabens, or harmful fragrances. We believe our products should be both mindful and luxurious without compromise.
