THE JAUNT

"This is the last call for Jaunt-701," the pleasant female voice echoed through the Blue Concourse of New York's Port Authority Terminal. The PAT had not changed much in the last three hundred years or so - it was still gungy and a little frightening. The automated female voice was probably the most pleasant thing about it.

For those that don't know, the Jaunt is about a crude type of teleportation technology. People are sent through it sedated. If someone is sent while fully awake, they pass through in.0000006 seconds, but their consciousness somehow goes through billions of years of limbo, nothingness. Billions of years within less than a second.

Jaunts - definition of jaunts by The Free Dictionary

At first "jaunty" was used, like "genteel," for things aristocratic, but as the years went by people stopped using it that way. Today "jaunty" is used to describe things that are lively and perky - not things that are aristocratic and elegant - and the only remaining clue to its noble origin is in its pronunciation.
