## **The Move To Global War**

Reviewed in the United States on March 21, 2016 This is the first edition of the new IB Paper One topic--The Move to Global War, and is a well organized and helpful textbook. The main problem I have noticed is not in the content but in the sample questions. There are several typos and inconsistencies especially for the second and third question.

At Island School, the prescribed focus of this Paper will be on 'The Move to Global War' which focuses on military expansion from 1931 to 1941. Two case studies are prescribed, from different regions of the world, and both of these case studies must be studied. The first case study explores Japanese expansionism from 1931 to 1941, and the second case study explores German and Italian expansionism from 1933 to 1940.
